Nirman Youth Development Initiatives (Nirman by Search India)

30th August 2024

INTRODUCTION

The founder of Nirman Youth Development Initiatives, Dr. Abhay Bang, emphasizes empowering youth with the vision: "Building a generation of young leaders who are committed to creating a just, equitable, and sustainable society." This reflects the core mission of Nirman, which is to inspire young people to work.

NIRMAN YOUTH DEVELOPMENT INITIATIVES

On 30th August 2024, NIRMAN YOUTH DEVELOPMENT INITIATIVE (Nirman by Search India) program had been organized by the NSS unit of INSTITUTE OF SCIENCE COLLEGE, NAGPUR. All the NSS volunteers were present in program at 3pm in auditorium. The Chief guest of program was Ms. Aditi Pidurkar mam. Our honourable Director Dr. Jairam khobragade sir as well as NSS program officers Dr. Seema Bodkhe mam, Dr. B. S. Navale sir, Mr. D. P. Nandagavali sir, Dr. S. U. Patil sir were present.

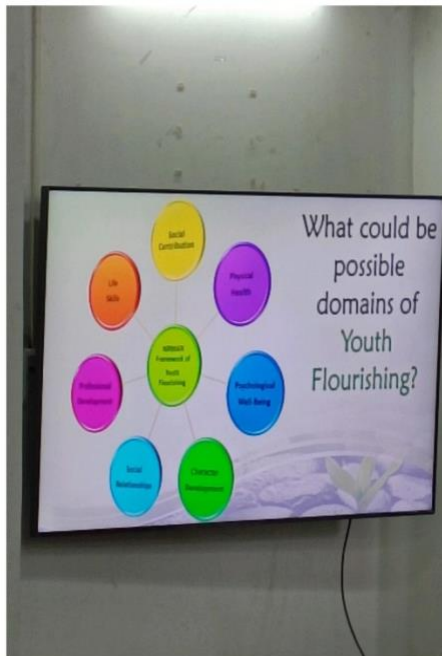

Nirman Youth Development Initiatives is a program focused on empowering young individuals by providing them with opportunities for personal growth, skill development, and social awareness. These initiatives are designed to inspire youth to become leaders and change-makers in their communities, equipping them with the tools needed to address social challenges, promote sustainable development, and foster innovation.

Mam tell us by offering platforms for mentorship, skill-building, and exposure to diverse perspectives, the initiatives aim to cultivate socially responsible, confident, and motivated young citizens ready to contribute to society in meaningful ways . Nirman Youth Development Initiatives teach us the importance of youth in building a just, equitable, and sustainable society by encouraging active participation, innovation, and a sense of responsibility towards addressing real-world challenges. This programme were completed under observation of NSS Committee.

Teacher's Day Celebration

5th September 2024

INTRODUCTION

Teachers Day celebration has been organized by the NSS unit of INSTITUTE OF SCIENCE COLLEGE, NAGPUR. All the NSS volunteers were present in program at 10.30am. In India, Teachers' Day is celebrated on 5th September, i.e., the birthday of our Former president Dr Sarvapalli Radhakrishnan. Besides being India's former president, Dr Sarvapalli Radhakrishnan was a scholar, teacher and philosopher. It is said that this day came into existence when some of his students decided to celebrate his birthday, and he said Instead of celebrating his birthday, they should celebrate this day as Teacher's Day and show Respect to all the teachers.

TEACHER'S DAY CELEBRATION

The program was started by offering greeting cards to all the teaching and non teaching staff of institution by BSc 1st year students. NSS program officers Dr. Seema Bodkhe mam, Dr. B. S. Navale sir, Mr. D. P. Nandagawali sir, Dr. S. U. Patil sir also teaching and non teaching staff like Dr. C.P. Dubhe sir, Dr. Uma Ghadge mam, Dr. Gayatri Behere mam, Mr. K.G. Patil sir, Mr. Shinde sir, Mrs. Shivkanya Kadam mam, Dr. Naqui Siddiqui mam, Mr. Ajay Kharpate sir and many more were present on this occasion.

The highlight of the celebration was the distribution of handmade greeting cards to all the teachers . The NSS volunteer dedicated time and efforts to create personalised reflected individuality and importance of the teacher it was made for . It also highlighted importance of appreciating educators and significant impact they have on students life .

It also highlighted the importance of appreciating educators and the significant impact they have on students life . The NSS members not only honour there teachers but also earn the value of gratitude creativity and teamwork . Teachers Day celebration of NSS unit with handmade greeting card was a resounding success as this is first initiative of our BSC first year new NSS members . This programme were completed under observation of NSS Committee and NSS Teacher Program incharges .

Plastic Free Campus Drive

21st September 2024

INTRODUCTION

A Plastic-Free Campus Drive is an initiative aimed at reducing or eliminating the use of single-use plastics within educational institutions. The goal is to promote environmental sustainability by encouraging students, staff, and faculty to adopt eco-friendly alternatives to plastic. This drive typically involves activities such as awareness campaigns, workshops, and the implementation of waste management systems that focus on recycling and reducing plastic waste. By creating a plastic-free environment, campuses contribute to the global effort of protecting nature and reducing pollution.

PLASTIC FREE CAMPUS DRIVE

On 21st September 2024 , Plastic Free Campus Drive program had been organized by the NSS unit of INSTITUTE OF SCIENCE COLLEGE,NAGPUR . All the NSS volunteers were present in program at 10.30am in Quadrangle . Director Dr. Jairam khobragade sir as well as NSS program officers Dr. Seema Bodkhe mam , Dr. B. S. Navale sir, Mr. D. P. Nandagavali sir, Dr. S. U. Patil sir , Dr. Swati Deshmukh mam were present . All of the NSS volunteers were present in Cleanliness drive with all their energy. As their were several teams made by NSS .

There were total 4 groups (collaboration of first, second and third year students) . First group were cleaning the Parking area, Second group were cleaning the Area infront of Director Chamber, Third group were cleaning the Canteen area, Fourth group were cleaning the Quadrangle . After cleaning whole college premises at 12.30 pm all were gathered in Quadrangle. All were very much happy after joining Swachhata hii seva 2024 drive.

This programme were completed under observation of NSS Committee and NSS Teacher Program incharges .

She had given MPSC exam in 1990 and win in sports. Woman Maharashtra Games in 1998 She tells Awareness about Police, you must report for your problem and be confident every time.

EMPOWERING YOUTH : ENTREPRENEURSHIP IDEA TO IMPACT : MARATHON SERIES

The session focused on inspiring students to explore entrepreneurship as a viable career path and provided a step-by-step understanding of how ideas can be transformed into impactful ventures. The speakers from InFED (an incubation center at IIM Nagpur) shared practical insights and personal experiences in the start up ecosystem. Amogh Tijare introduced the importance of entrepreneurship in today's world and how institutions like IIM Nagpur are fostering innovation through incubation and mentoring. Dr. Shantanu Jog discussed the role of mentorship and guidance in the early stages of startup development. He highlighted common pitfalls entrepreneurs face and how to overcome them. Atharva Badkas shared insights on the technological aspects of building a startup, from idea validation to product development. He emphasized the value of research and staying updated with current trends. Abhyant Sahu, as a startup founder, gave a real-world perspective on building a company from scratch. His journey with Vaha Flow demonstrated resilience, innovation, and adaptability in a competitive space. The "Idea to Impact" session was a motivating and enlightening experience. It encouraged students to think creatively and take their ideas seriously. With the right support and determination, turning ideas into impactful businesses is possible, and this session gave us the tools and inspiration to take the first step. Insights into incubation support, funding, and mentorship opportunities available for young entrepreneurs. The need to be resilient, adaptable, and open to learning in the startup journey. Realized that anyone can be an entrepreneur with the right mind set, guidance, and perseverance.

Wildlife Week 2024

(Human Chain Program)

1st October 2024

INTRODUCTION

Wildlife Week 2024 will be celebrated in Nagpur from October 1st to October 7th. This annual event aims to raise awareness about wildlife conservation and the importance of protecting biodiversity. Each day of the week will feature various programs and activities designed to engage the community and promote a deeper understanding of environmental conservation.

WILDLIFE WEEK 2024

On 1st October, Wildlife week program had been Organized by Vansanrakshak Nagpur on behalf of that the NSS unit of INSTITUTE OF SCIENCE COLLEGE,NAGPUR has been invited. All the NSS volunteers were present in program on 7.30am at Vanbhavan Zero mile as well as NSS program incharge Dr. Seema Bodkhe mam and Mr. Nandagavali sir. All college students gather there and make a big Human chain we go from Vanbhavan to Zero mile Metro station and vice versa for people awareness.

On the first day, October 1st, a Human Chain Program will be organized. This activity will involve participants forming a human chain to symbolize unity and collective effort towards wildlife protection. The event is expected to attract students, environmentalists, forest officials, and members of the public, all joining hands to demonstrate their commitment to preserving nature. It will serve as the inaugural event of Wildlife Week, setting the tone for the upcoming activities and discussions on conserving wildlife and protecting natural habitats.

The purpose of this initiative is to symbolize unity, commitment, and collective action toward wildlife protection and environmental conservation. Main Motto of the Human Chain Program is "Protecting Wildlife, Preserving Nature". It aims to

1. Raise Awareness: Educate the public about the need to protect endangered species and preserve natural habitats.
2. Show Unity: Demonstrate the collective strength and support of citizens, forest officials, students, and environmentalists in advocating for wildlife conservation.
3. Promote Community Involvement: Encourage active participation from the community in wildlife protection initiatives and foster a sense of responsibility towards nature.

Through this symbolic event, the organizers hope to send a strong message about the importance of maintaining ecological balance and protecting wildlife for future generations. This event will also serve as an opening ceremony for Wildlife Week, setting the tone for the rest of the activities planned throughout the week, such as workshops, seminars, and exhibitions focused on conservation efforts and the role of the community in protecting nature.

WAD RRC Rally

2nd December 2024

INTRODUCTION

The rally witnessed enthusiastic participation from students, healthcare professionals and community members who carried banners and posters with impactful messages about prevention, treatment, and compassion for those living with HIV/AIDS. Participants chanted slogans to educate the public on safe practices and the importance of breaking societal stigma. Red ribbons, symbolizing support for HIV-positive individuals, were distributed during the event. Interactive activities like street plays and healthcare providers offered free counselling and testing facilities.

WAD RRC RALLY

On 2nd December 2024, a rally was organized in Nagpur by District AIDS Prevention & Control Unit (DAPCU) G.H.Nagpur to raise awareness about HIV/AIDS, with active participation from college students, including those from NSS unit of Institute of Science, Nagpur. The rally began at 7:30 am at Indira Gandhi Government Medical College & Hospital (IGGMCH) and passed through key locations such as Hansapuri, Daga Hospital, Agrasen Square, and Dosar Bhavan Square before concluding back at IGGMCH on 9.30am. The event aimed to educate the public about HIV/AIDS prevention, early detection, treatment and the importance of eradicating stigma associated with the disease, along with promoting the activities of the Red Ribbon Club (RRC).

Students used impactful charts and banners displaying vital information about HIV/AIDS and chanted inspiring slogans like “Stop AIDS, Keep the Promise” and “Know Your Status, Get Tested.” Their efforts caught the attention of bystanders and inspired conversations about the importance of safe practices, empathy, and health awareness. The rally effectively motivated the community to support the global fight against HIV/AIDS and promoted a message of inclusivity and hope. Through their enthusiasm and creative outreach, the students made a significant effort in spreading awareness and fostering a responsible attitude among the public.

Vachan Sankalp Maharashtracha

8th-10th January 2025

INTRODUCTION

The " Vachan Sankalp Maharashtracha " program was a transformative initiative that successfully cultivated a deeper appreciation for reading and its impact on personal and academic growth. Through this program, students gained exposure to diverse literary works, encouraging them to explore various genres, ideas, and viewpoints. It not only enhanced their critical thinking and analytical skills but also nurtured creativity and a stronger connection to Maharashtra's rich literary heritage. By fostering a culture of reading, the program empowered students to expand their horizons, develop informed opinions, and equip themselves with knowledge essential for facing future challenges. It underscored the significance of books as a lifelong source of wisdom and inspiration, leaving a lasting impact on all participants. On occasion of this, many events were held in our college like group reading, selfie with books, exhibition of rare books, book evaluation and review .

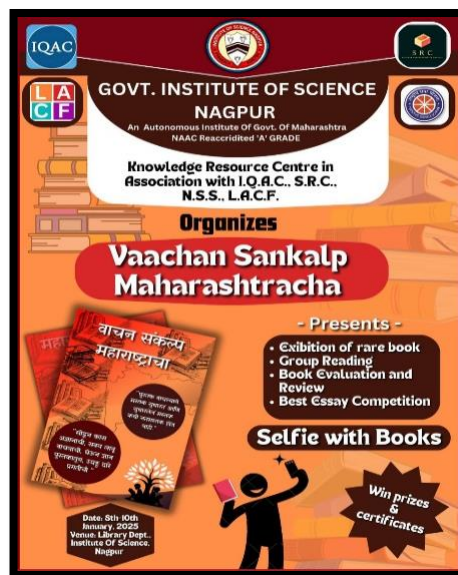

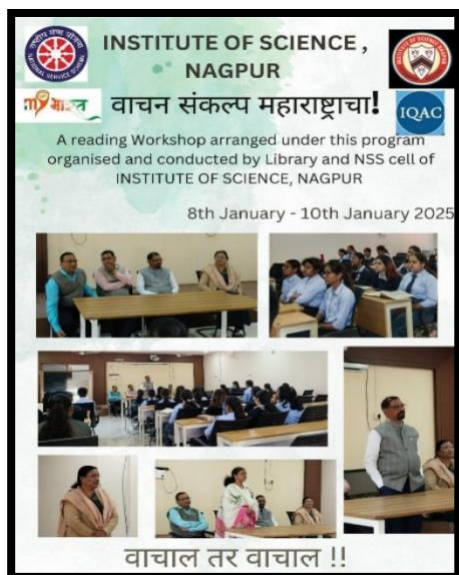

DAY 1 : 8TH JANUARY 2025

All the NSS,LACF,IQAC and SRC volunteers and students were gathered for program on 11am at first floor of Library,IOSC with great enthusiasm. The Chief guest of program was our honourable Director Of college Dr. Jairam khobragade sir, NSS,LACF,IQAC and SRC teacher incharges Dr. Seema Bodkhe mam, Dr. B. S. Navale sir, Dr. Swati Deshmukh mam, Mr. D. P. Nandagavali sir, Dr. S. U. Patil sir, Dr. Naqui Siddiqui mam, Mr. Sarveshwar Kasarla sir, Dr. Suggan Jadhao sir, Library incharge Dr. Lihitkar sir were present in program. Under 'Vachan Sankalp Maharashtracha',exhibition of rare books,group reading and Selfie with books competition was organised by Institute Of Science Nagpur on 8th January.

- **Rare Books Exhibition:** The program began with an exhibition of rare and valuable books. Students got the chance to see books that are not easily available, giving them a glimpse into history, literature, and culture.
- **Group Reading Activity:** After the exhibition, everyone participated in group reading. This activity encouraged teamwork and helped students share knowledge and ideas with each other.
- **Selfie with Books Competition:** The program was ended with an exciting 'Selfie with Books' competition. Students clicked creative selfies with their favourites books, making the experience enjoyable and memorable.

The event was very meaningful for students. It encouraged the habit of reading, which is essential for gaining knowledge and improving imagination. The exhibition of rare books connected students with history, while group reading taught them the importance of teamwork and discussion. The competition added a fun element, making learning enjoyable. The 'Vachan Sankalp Maharashtracha' program was a unique and interesting event. It not only promoted reading but also made students realize the value of books in personal and academic growth. Such events help students develop a love for learning in a creative and engaging way.

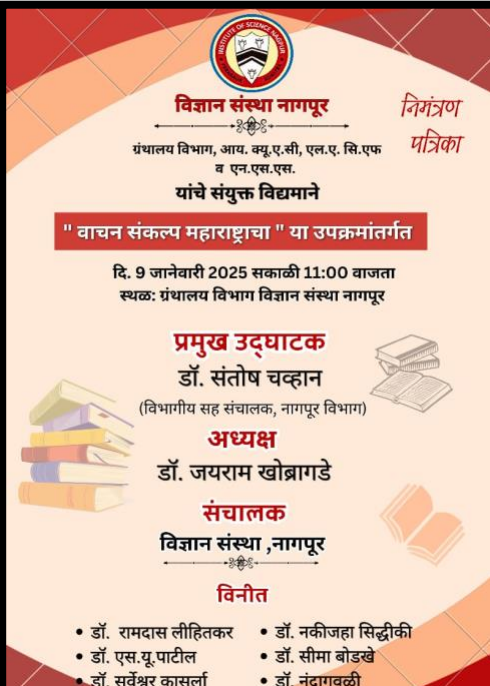

“ A book is a gift you can open again and again !! ”

DAY 2 : 9TH JANUARY 2025

All the NSS,LACF,IQAC and SRC volunteers and students were gathered for program on 11am at first floor of Library,IOSC. The program was graced by esteemed presence of honourable Dr. Santosh Chavhan, Divisional Joint Director of Nagpur Division as chief guest and chairman was honourable Director of Institute Of Science Dr. Jairam Khobragade sir. Dr. Chavhan, in his keynote address, spoke passionately about the transformative power of reading. He highlighted how books serve as windows to providing knowledge, and inspiration. He encouraged students to develop a disciplined reading habit, stressing that reading is not just an academic activity but a crucial life skill that enhances critical thinking, creativity, and decision-making abilities. He also shared personal anecdotes about how reading had influenced his own life and career, inspiring the audience to explore the vast ocean of knowledge available through books.

In this program NSS,LACF,IQAC and SRC teacher incharges Dr. Seema Bodkhe mam, Dr. B. S. Navale sir, Dr. Swati Deshmukh mam, Mr. D. P. Nandagavali sir, Dr. S. U. Patil sir, Dr. Naqui Siddiqui mam, Mr. Sarveshwar Kasarla sir, Dr. Suggan Jadhao sir, Library incharge Dr. Lihitkar sir as well as teaching staff Dr. Priti Singh mam, Dr. Rajendra Tayade sir, Dr. Gayatri Behere mam, Dr. Kirti Gopal mam and many more were present. Under 'Vachan Sankalp Maharashtra' Best essay competitions in hindi, marathi and english on several given topics was organised in which large amount of students were participated. The students and other attendees were deeply inspired by this event and many pledged to dedicate more time to reading. The event concluded with a collective vow to nurture a habit of regular reading and to contribute to building a knowledgeable and literate society.

INSTITUTE OF SCIENCE
NAGPUR

DAY 3 – 10TH JANUARY 2025

The program was honored by the presence of Dr. Sunil Ganatra, Retired Professor from the Department of Chemistry, Institute of Science, Nagpur as the chief guest and chairman was honourable Director of Institute Of Science Dr. Jairam Khobragade sir. All the students and volunteers of NSS, LACF, SRC, IQAC as well as all the teaching staff were present in program at 11 am. In his keynote address, Dr. Ganatra emphasized the transformative power of reading and its vital role in personal and professional growth. He shared valuable insights on how reading not only broadens knowledge but also strengthens critical thinking and communication abilities. Drawing from his own experiences, he highlighted the lifelong benefits of cultivating a habit of reading. His inspiring words resonated deeply with the audience, leaving a lasting impact on the participants and attendees.

The event was organized under the “Vachan Sankalp Maharashtratracha” initiative, which aims to foster a love for reading and enhance literary engagement among students. As part of the program, a book evaluation and review competition was conducted, attracting enthusiastic participation from numerous students. The competition provided a platform for students to critically analyse and share their insights on various books, thereby nurturing their analytical and creative skills. The program concluded with a renewed commitment from all participants to dedicate themselves to regular reading and make it an integral part of their lives.

Blood Donation Camp And A Sickle cell Awareness

13th January 2025

INTRODUCTION

Blood donation camp in college plays a vital role in creating awareness among students about the importance of donating blood and its impact on saving lives. Such events promote the value of social responsibility and compassion. Blood is a life-saving resource and by donating, students contribute significantly to the community. A Sickle Cell Awareness Program was educate students about sickle cell disease, its symptoms, prevention, and importance of early diagnosis. Blood donation camp not only fulfills an immediate need for blood in hospitals but also instills a sense of unity, humanity among students. It emphasizes power of youth in addressing critical health issues. The session emphasized spreading awareness, supporting those affected, and promoting inclusivity and health advocacy within the community.

On 13th January 2025, under NSS Special Camp 2024-25 Blood Donation Camp and Sickle cell Awareness had been organized by NSS unit of INSTITUTE OF SCIENCE COLLEGE,NAGPUR in collaboration with GMCH,Nagpur. All the NSS volunteers and students were present in program at 10 am in Library,IOSC. The Institute of Science, Nagpur, successfully organized a Sickle Cell Awareness Program followed by a Blood Donation Camp aimed at spreading awareness about sickle cell disease and promoting the importance of blood donation. The program was a testament to the institute's commitment to health education, community welfare and social responsibility. The program was graced by our esteemed Chairman and Honorable Director, Dr. Jairam Khobragade, who provided continuous support and guidance as well as Chief Guest, Dr. Rajesh Hedao (MBBS, MD Pathology) from GMCH, Nagpur, brought valuable insights and expertise to the event. The event also featured a team of dedicated professionals: Miss Rasika Moundekar - Technician, Miss Nisha Lokhande - Technician, Dr. Kanak Gajbhiye - Medical Expert, Dr. Tanisha Mahiskar - Medical Expert, Mr. Sachin Dod - Renowned Social Worker, Dr. Sanjeevani Satpute - District Sickle Cell Counsellor, Miss Prachiti Walke - Lab Technician, Miss Anju Somkuwar - Lab Technician. Their contributions were instrumental in making the program a success, ensuring that the objectives were met with precision and professionalism. In this program, all the NSS teacher incharges as well as teaching staff of Institute Of Science were present.

SICKLE CELL AWARENESS SESSION

The event began with a highly informative awareness session on sickle cell disease. The lecture highlighted: the causes and symptoms of sickle cell disease, the importance of early detection and regular testing, effective management strategies for individuals living with the disease. The medical team conducted free sickle cell testing for all students, ensuring they were informed about their health status. The students were actively engaged during the session, gaining valuable knowledge about how awareness and early intervention could significantly impact their lives and those of others. Small steps of awareness lead to big strides in health and hope for sickle cell patients as well as understanding sickle cell disease is the first step toward creating hope and better health outcomes for patients.

*“Knowledge is power; let's educate, test
and support to conquer sickle cell disease.”*

BLOOD DONATION CAMP

Following the awareness program, the team and participants gathered on the ground floor of the Library (IOSC) for a blood donation camp. This initiative emphasized the critical need for blood donations, especially for individuals battling sickle cell disease, who often require frequent transfusions. The camp saw an overwhelming response, with 40-45 individuals voluntarily donating blood. The donors' generosity was a testament to the institute's culture of empathy and community service. The donated blood will go a long way in saving lives and supporting those in need. The Institute of Science extended its gratitude to all donors by providing refreshments and e-certificates as tokens of appreciation. The institute also presented thank-you greetings to inspire participants to continue supporting such noble causes in the future. The Sickle Cell Awareness Program and Blood Donation Camp was a resounding success, reflecting the collaborative efforts of the medical team, social workers, faculty and students.

“Your one pint of Blood, saves Three lives !!”

On occasion of Swami Vivekananda Jayanti, in NSS organized Blood Donation Camp total 29 donors donate blood and there information is as follows:

NSS SPECIAL CAMP CONTRIBUTION

A significant portion of the program's success can be attributed to the tireless efforts of students participating under the NSS Special Camp as well as our respected teacher who provide us continuous guidance and support. Under NSS Special Camp seven teams were assigned various responsibilities, including: Assisting with student coordination and registration, managing logistics and ensuring smooth execution of activities, maintaining discipline and providing support to the medical team. The NSS volunteers displayed remarkable teamwork, dedication and efficiency, ensuring the program was conducted peacefully and successfully. The program not only educated but also inspired participants to be proactive in health awareness and community service. The Institute of Science, Nagpur, extends heartfelt thanks to all guests, participants, and volunteers who contributed to the event. Together, we have set an example of how collective action can drive meaningful change in society.

“Join the fight against Sickle cell:

Donate Blood, spread Awareness !!”

Inauguration Ceremony of NSS Special Camp 2024-25

16th January 2025

INTRODUCTION

The inauguration of the NSS (National Service Scheme) Special Camp marks the beginning of a week-long program dedicated to community service and social development. It serves as a platform for volunteers to contribute to social causes, develop leadership skills, and promote social harmony. The event typically includes motivational speeches by dignitaries, outlining the camp's objectives and inspiring participants to work towards societal betterment. The event aims to motivate participants to actively engage in various activities like cleanliness drives, awareness campaigns, tree plantations, and skill development workshops. The inauguration sets the tone for camp's activities, which focus on themes such as health, education, environment and social unity.

INAUGURATION CEREMONY : NSS SPECIAL CAMP

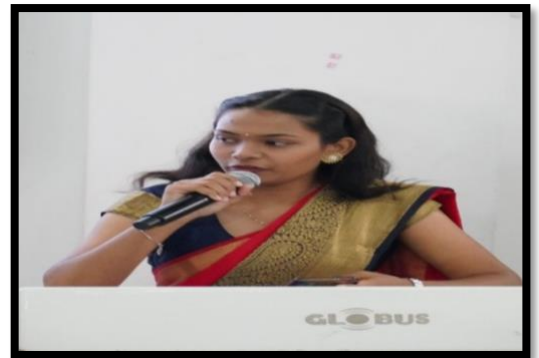

On 16th January 2025, the Inauguration Ceremony of NSS Special Camp 2024-25 had been organised in Institute Of Science Nagpur. All the NSS volunteers and students with there respective six teams were present in program at 10 am in Auditorium,IOSC with the great enthusiasm. The chief guest for the occasion was respected Mr. Eknath Z. Khobragade, a retired IAS officer, and the president Dr. Jairam Khobragade sir who graced the event with his great presence and motivational insights.

The event commenced with the ceremonial lighting of the lamp, symbolizing the spread of knowledge and enlightenment. A floral tribute was offered to Rashtrasant Tukdoji Maharaj, paying homage to his contributions to social reform and his ideals of selfless service. The university NSS song was played thereafter, infusing the gathering with unity. They open the scroll, the NSS Special Camp at the Institute of Science, Nagpur, was inaugurated on a high note, blending tradition, motivation, and a spirit of service. In Mr. E.Z. Khobragade address, he highlighted various competitions and initiatives organized by the government in celebration of Republic Day on 26th January. He encouraged the NSS volunteers to actively participate in these competitions, emphasizing the role of youth in national development and the importance of showcasing their talents in nation-building activities. His words were a source of inspiration for all present, instilling a sense of pride and responsibility. The event was presided over by the institute's Director, Dr. Jairam Khobragade, whose unwavering support for NSS activities has always been a driving force. In his speech, Dr. Khobragade commended the efforts of the NSS volunteers and staff in organizing the camp and emphasized the importance of such initiatives in fostering leadership, teamwork, and social awareness among students.

In this event, NSS program incharges Dr. Seema Bodkhe mam, Mr. D.P. Nandagawali sir, Mr. S.U. Patil sir, Mrs. Swati Deshmukh mam as well our college teaching staff Mr. S. Kasarla sir, Dr. Naqui Siddiqui mam, Dr. Abhay Khamborkar sir, Dr. Priti Singh mam, Dr. Gayatri Behere mam, Dr. Borkar sir, Dr. Rajendra Tayade sir, Dr. Yemule sir, Dr. B.S. Navale sir and many more were present. The inauguration ceremony also outlined the objectives and activities planned for the camp, including cleanliness drives, health awareness programs, environmental conservation efforts, and skill development workshops.

The event concluded with a vote of thanks and a renewed commitment from all participants to make the camp a success. This memorable event set the tone for an enriching and impactful NSS Special Camp, emphasizing the spirit of service, learning, and community engagement. The NSS Special Camp at the Institute of Science, Nagpur, was inaugurated with great enthusiasm and a sense of purpose. The event took place in the presence of esteemed guests, staff, and NSS volunteers, creating an inspiring atmosphere for the week-long program dedicated to community service and social responsibility.

Traffic Control & Awareness Program

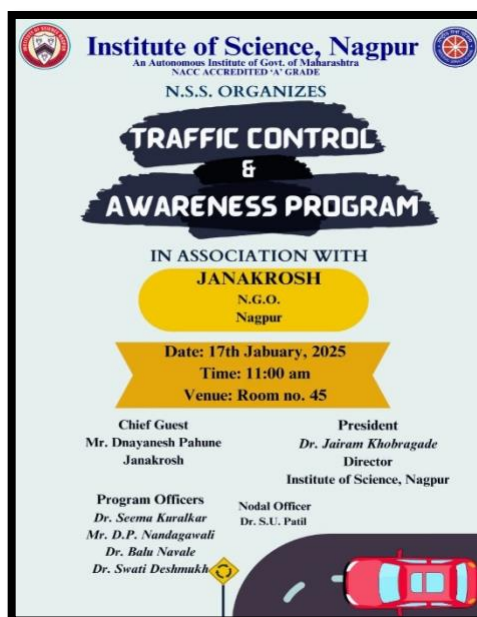

Day 2 : 17th January 2025

INTRODUCTION

The Traffic Control and Awareness with Janakrosh is an initiative aimed at enhancing public understanding of traffic rules, promoting road safety, and addressing concerns related to traffic management. Organized in collaboration with Janakrosh, a community-driven organization focused on social issues, the program seeks to foster responsible behavior among road users and reduce accidents. This program aims to create a safer and more disciplined traffic environment while addressing the community's concerns through collective action and awareness.

TRAFFIC CONTROL & AWARENESS

On 17th January 2025, under the NSS Special Camp 2024-25 the Traffic Control and Awareness Program held in collaboration with Janakrosh, was an impactful initiative designed to promote road safety and responsible traffic behavior. The event was graced by Mr. Dnyanesh Pahune sir, a prominent member of Janakrosh, as the Chief Guest, along with Dr. Jairam Khobragade, the esteemed President Director of our college. All the NSS volunteers and students were present with there teams in program at 11 am in Auditorium, IOSC. Mr. Dnyanesh Pahune inspired the attendees with a powerful speech,

emphasizing the importance of following traffic rules for personal and community safety. He also discussed the rising concerns of traffic violations and the role of citizens in ensuring safer roads. A quiz on traffic symbols and regulations was conducted to enhance awareness and test the knowledge of participants, making the session both educational and engaging. The NSS volunteers were divided into six groups, further split into two teams. One team, along with Janakrosh members, headed to Maharaj Bagh Signal, while the other proceeded to Civil Lines Signal. Their mission was to interact with road users and address those who were not adhering to traffic rules. Volunteers actively engaged with the public, holding slogans and banners to spread messages on traffic control and safety. This program aims to create a safer and more disciplined traffic environment while addressing the community's concerns through collective action and awareness.

The program seeks to instill discipline, responsibility, and awareness among students to reduce road accidents and promote safe travel habits. By involving students, the initiative hopes to create a ripple effect, spreading awareness to families and communities. In this event, NSS program incharges Dr. Seema Bodkhe mam, Mr. D.P. Nandagawali sir, Dr. S.U. Patil sir, Dr. B. Navale sir, Mrs. Swati Deshmukh mam as well our college teaching staff Mr. S. Kasarla sir, Dr. Naqui Siddiqui mam and many more. The event concluded with a vote of thanks and a renewed commitment from all participants to make the camp a success.

Drive with care, arrive with Joy !!

Meditation & Organ Donation Awareness Campaign

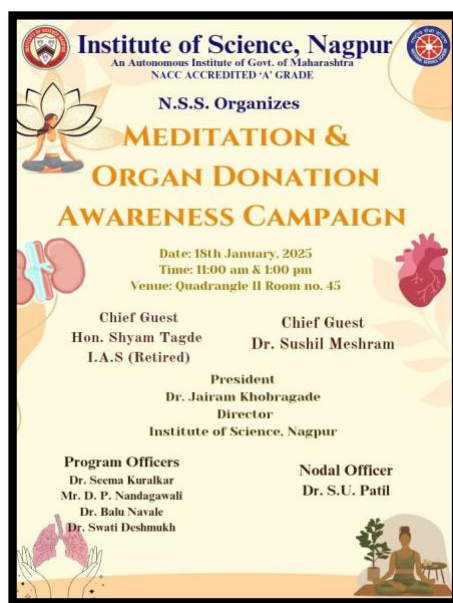

Day 3 : 18th January 2025

INTRODUCTION

Meditation sessions are vital for promoting mental, emotional, and physical well-being. In today's fast-paced and stress-filled world, meditation serves as a tool to enhance focus, reduce anxiety, and develop inner peace. Regular practice can also improve physical health by reducing blood pressure, boosting immunity, and enhancing sleep quality. Overall, meditation is a holistic practice that benefits individuals by aligning their mind, body, and spirit, helping them lead more balanced and fulfilling lives. The event was a significant step toward fostering a culture of mindfulness and self-care among students and staff, leaving a lasting impression that will likely influence their personal and academic lives positively.

MEDITATION PROGRAM

On 18th January, under the NSS Special Camp, a highly enlightening meditation program was organized for all participants. All the NSS volunteers present in Quadrangle, IOSC at 11 am. The session was graced by the presence of our esteemed guest, retired IAS officer, honorable Shyam Tagde. His profound knowledge and guidance made the session a memorable and transformative experience for everyone present. The program commenced with a warm welcome by the college authorities and president honorable director of college, Dr. Jairam Khobragade sir were present.

Mr. Tagde began by introducing the concept of meditation, emphasizing its relevance and benefits in daily life. He focused on Meditation & Anapaan, explaining its techniques and variations in simple yet impactful terms, enabling even beginners to grasp its essence. He shared step-by-step instructions for effective practice and underlined its importance in improving focus, reducing stress and leading a balanced life. After the theoretical session, all participants, including students and teachers, sitting on mats arranged neatly in rows at Quadrangle. Under Mr. Tagde's expert guidance, we practiced 20 minutes of focused meditation. The serene environment and collective energy of the group made the session deeply calming and rejuvenating. Even the teachers actively participated, inspiring the students to take the practice seriously. Following the meditation, Mr. Tagde motivated everyone to adopt meditation as a daily habit. His words were inspiring, leaving a profound impact on all participants.

This meditation session was not just an activity but a significant step toward fostering a healthier and more mindful approach to life. It left a lasting impression on everyone, encouraging them to recognize and embrace the transformative power of meditation. Event highlighted the importance of such initiatives in shaping the students' mental well-being and encouraged everyone to make the most of the session. The session concluded with a motivational message from the guest, emphasizing the importance of making meditation a daily habit. The program left everyone inspired and encouraged to integrate meditation into their routines, recognizing its immense benefits for mental clarity, emotional stability, and overall well-being.

"Meditation is the art of being present, without Judgment !!"

INTRODUCTION

Organ donation is a critical medical procedure where healthy organs and tissues are transplanted from a donor to a recipient suffering from organ failure or severe medical conditions. This selfless act has the profound ability to save and enhance lives, offering recipients a renewed chance at life. For instance, a single organ donor can save up to eight lives and improve many more through tissue donation. By choosing to donate, individuals can leave an enduring legacy, transforming lives and contributing to a healthier society.

ORGAN DONATION AWARENESS CAMPAIGN

On 18th January, under the NSS Special Camp, an impactful Organ Donation Awareness Campaign was organized at the Institute Of Science College to educate students and faculty about the significance of organ donation. The campaign was honored by the presence of the esteemed chief guest, Dr. Sushil Meshram, and the college's director and president of the event, Dr. Jairam Khobragade. The event served as a platform to spread awareness about the life-saving potential of organ donation and inspire the audience to contribute to this noble cause.

The event began with a warm welcome address by the NSS coordinator, who highlighted the objectives of the awareness campaign. The chief guest, Dr. Sushil Meshram, was introduced as a dedicated advocate for organ donation awareness and a prominent figure in the field of social and medical service. Dr. Meshram's extensive experience and passion for the cause set the tone for an enlightening session. Dr. Sushil Meshram took the stage to share his journey and commitment to promoting organ donation. He began by explaining the basic concept of organ donation, where healthy organs from a donor are transplanted into individuals suffering from severe organ failure. He elaborated on the types of organ donations, including kidney, liver, heart, lungs, pancreas, and corneas, emphasizing that one donor can save up to eight lives and enhance many more through tissue donation. Dr. Meshram shared anecdotes from his life, detailing his experiences with families who had made the decision to donate organs of their loved ones. He recounted stories of hope and transformation, where organ recipients regained their lives, thanks to the generosity of donors. These real-life examples resonated deeply with the audience, underscoring the profound impact of organ donation.

Dr. Jairam Khobragade sir, the director of the college, also addressed the gathering, emphasizing the importance of organ donation in today's society. The session was interactive with students and faculty asking questions about the organ donation process, eligibility, and misconceptions. Dr. Meshram patiently addressed their concerns, ensuring that everyone left the event with a clear understanding of the subject. The program ended with a vote of thanks through expressing gratitude to Dr. Sushil Meshram for his inspiring and informative speech. Dr. Khobragade also appreciated the efforts of the NSS team in organizing the campaign and emphasized the need for more such events to create awareness among students. It was a remarkable initiative that left a lasting impression on everyone present.

“Turn tragedy into Hope—become an Organ Donor !!”

Institute Of Science,Nagpur

NSS Special Camp

Day-4: 19th January 2025

Venue: Sanjeevani Vridhashram, Deoli

INTRODUCTION

One of the most impactful activities conducted under NSS is the Special Camp, organized annually to address community issues and promote holistic development. These camps are typically held in rural areas, slums, or institutions like old age homes and are designed to expose students to real-life social challenges seeks to involve young people in constructive community service while fostering their personality development through social engagement. As part of its commitment to social service and community engagement, the NSS unit of Institute Of Science Nagpur organized a special camp visit to Sanjeevani Vridhashram, Deoli. The objective of the visit was to contribute to the well-being of the elderly residents through cleanliness activities, interactive sessions, and community service. The camp also included a special learning session conducted by Dr. Chandrashekhar Meshram, a neurologist, to raise awareness about neurological health and elderly care.

Schedule of Activities

1. **Departure and Arrival:** The NSS volunteers departed from the college at 9:00 a.m. They arrived at Sanjeevani Vridhashram, Deoli, at 10:30 a.m.
2. **Cleanliness Drive:** Upon arrival, the volunteers engaged in a cleanliness drive to ensure a hygienic and comfortable environment for the elderly residents. All rooms and common areas were thoroughly cleaned by students.
3. **Rest Period:** After the cleaning activity, students took a short break to refresh themselves before proceeding to the next session.
4. **Awareness Session :** A special learning session was conducted by Dr. Chandrashekhar Meshram who is chief guest of session as well as chief head of Sanjeevani Socio Medical Foundation Nagpur. He enhanced knowledge about neurological health and elderly care. He shared his journey of life with us and also express love about our college as he was alumni of Institute Of Science. He is a neurologist who shared valuable insights on neurological health, common disorders among the elderly, and preventive measures for awaring us. The session was highly informative and provided an opportunity for students to understand the importance of geriatric care and mental health in aging individuals.

Institute Of Science, Nagpur

NSS Special Camp

Day 5:20th January 2025

INTRODUCTION

Day 2 of the NSS Special Camp focused on engaging with the local community, particularly the students of Sanjeevani Vridhashram. The aim was to promote awareness on various social issues through interactive activities and cultural events, thereby fostering a spirit of social responsibility among NSS volunteers and school students.

Schedule of Activities

1. Visit to Z P School: The NSS volunteers visited the nearest Redmi school of Sanjeevani Vidyashram. Upon arrival, they interacted with the students and staff, creating a friendly and encouraging atmosphere.

2. Street Play Performances: To effectively convey important social messages, the NSS volunteers formed six groups.

Each group performed a street play on various awareness topics such as:

Health and Hygiene

Importance of Education

Anti-Drug Awareness

Gender Equality

Personal Safety and Well-being

Menstrual Hygiene

Bankrupt

The plays were presented in a simple and engaging manner to ensure that even young students could understand the messages. The event was successful in raising awareness and encouraging positive change among the school children.

3. Interaction and Dispersal: After the performances, there was a brief interaction session where NSS volunteers discussed the themes of the plays with the students. The students expressed their thoughts, asked questions, and shared their own experiences related to the topics discussed. After the session, the students were dispersed.

4. Return and Lunch: After completing the activities at the school, the volunteers returned to Sanjeevani Vridhashram. Everyone had lunch together, followed by a short rest period.

5. **Evening Tea and Cultural Program:** In the evening, the volunteers gathered for tea. This was followed by a cultural event, where volunteers and some elderly residents presented songs, dances, and poetry recitals. The cultural program aimed to strengthen the bond between students and residents, creating a joyful and inclusive environment.

6. **Dinner and Rest:** After the cultural activities, everyone enjoyed dinner together.

The day concluded with everyone settling down for the night, reflecting on the day's experiences.

Institute Of Science, Nagpur

NSS Special Camp

Day 6: 21st January 2025

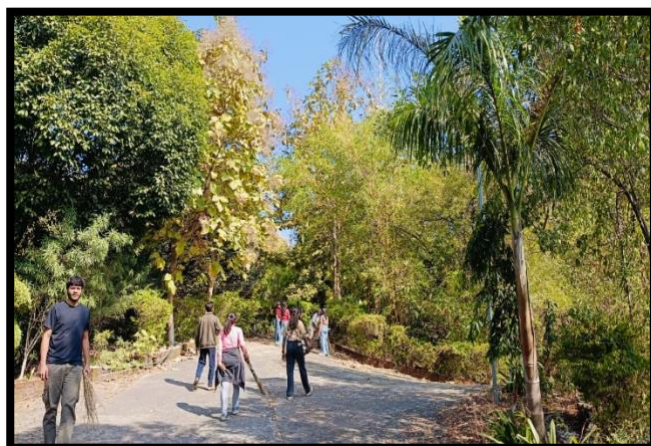

INTRODUCTION

The third day of the NSS Special Camp was filled with various engaging and productive activities, fostering community service and awareness. The day was designed to promote environmental consciousness, social responsibility, and personal development among the participants.

Morning Activities:

The day began with a visit to Wasudev Zill, where the students had the opportunity to experience bird watching, observing the local avian life and learning about biodiversity. Following this enriching experience, the group participated in a cleanliness drive in the area, demonstrating their commitment to environmental conservation. Subsequently, the group proceeded to Sanjeevani Vridhashram. After a refreshing breakfast, the volunteers actively engaged in cleaning the surroundings of the ashram, contributing to maintaining hygiene and providing a pleasant environment for the residents. A brief rest period followed, allowing the participants to recharge.

Afternoon Activities:

After lunch, a special session was organized by the Women Development Cell (WDC) to raise awareness about women's issues and development. The session featured Dr. Naqui Siddiqui mam chief of the WDC Institute of Science along with another distinguished speaker who addressed various topics related to women's empowerment and shared valuable insights.

Evening Activities:

Post the awareness session, the participants enjoyed some recreational time, including a brief race and a tea break. Later in the evening, an interactive session was held with an IFS officer Hemant Kamadi sir who shared his personal journey, discussed government opportunities, and encouraged the youth to pursue higher studies and public service. Session was followed by a lively game session, promoting team spirit by Kasarla sir. Everyone enjoyed it a lot. Dr. Belekar sir, Dr. Borkar sir, Mr Kasarla sir, Mr. Nandagavli sir, Dr. Bodkhe mam were present in the session .

NSS Special Camp

Day-7 : 22nd January 2025

Venue : Sanjeevaani Vridhashram Deoli

The last day of the NSS (National Service Scheme) special camp marked a significant and memorable event. It was held at Sanjeevani Vidyashram, where volunteers from the Institute of Science gathered to conclude a week of service, learning, and community engagement. The atmosphere was filled with unity and enthusiasm as everyone prepared for the day's closing function. The day began with all the students coming together for breakfast. The spirit of unity was evident as everyone wore black T-shirts to symbolize their collective strength and dedication. After breakfast, the participants returned to their rooms to freshen up and prepare for the grand closing ceremony. By 10 a.m., all volunteers assembled in the common hall, eagerly awaiting the arrival of esteemed guests.

VALEDICTORY FUNCTION OF NSS SPECIAL CAMP

The chief guest for the event was Dr. Bhau Daydar, Ex-President of NSS, RTMNU. He was accompanied by Dr. Jairam Khobragade sir, the Director of the Institute of Science, Dr. Madhavi Mardikar Mam, the Student welfare dean and teachers from the Institute of Science, Dr. Siddiqui mam, Dr. Kawadkar mam, Dr. Bodkhe mam, Mr. Nandagavli sir, Dr. S.U. Patil sir, Dr. Deshmukh mam, Dr. Parsodkar mam, Dr. Gopal mam, Dr. Borkar sir, Dr. Patil sir, Dr. Navale sir, Dr. Tayade sir, Dr. Khamborkar sir, Dr. Sayare sir, Mr. Kasarla sir, Dr. Lihitkar sir, Dr. Siddiqui sir, Dr. S. Patil sir, Dr. C. Choudhury sir and many more teaching and non teaching staff were present who attended to encourage and motivate the volunteers. Their presence was a source of great pride and inspiration for all.

Dr. Bhau Daydar delivered an insightful speech emphasizing the importance of NSS in personal and community development. He shared his experiences and highlighted how the values learned through NSS can positively impact one's life. Following his speech, the Dean of Student Welfare, Dr. Mardikar Mam, spoke about the role of NSS in fostering a sense of social responsibility and the significance of incorporating sports for physical well-being. Dr. Jairam Khobragade sir addressed the gathering, commending the students for their dedication and efforts throughout the camp. He encouraged them to continue contributing positively to society. The teachers from the Institute of Science also congratulated the students for successfully completing the camp.

After the proceedings for cultural events, the best female and male volunteers, along with the best team in street play, the best team in dance, and many more, were honored with trophies at the end of the NSS special camp.

After the speeches and interactions, a hearty lunch was served. The students and teachers dined together, cherishing the last moments of the camp. After lunch, everyone returned to their rooms to pack up their belongings. The volunteers meticulously cleaned the premises as part of their farewell routine. At 5:30 p.m., they boarded the bus back to the college, bidding a fond farewell to Sanjeevani Vridhashram. The group reached the college by 7:00 p.m., marking the end of an enriching and unforgettable experience.
